2. Approval of Minutes	The minutes of the meeting held on Friday, 03 July 2026 were proposed by DBC and seconded by EG and duly adopted. The minutes of the previous Roads Committee (RC) meeting recorded that the next meeting would be held on Wednesday, 05 August 2026. However, due to a scheduling conflict on that date, the meeting was brought forward to Monday, 03 August 2026 at 10:00.
3. Matters Arising	None.
4. Le Grand Bourg Drainage	EG advised that the RC are waiting for an additional quote for the repair of the drain on Le Grand Bourg once a drain survey has taken place.
5. La Rue du Moulin de Bas	DBC was not present for item 5. Four contractors were initially invited to quote for the road project at La Rue du Moulin des Bas. As only one contractor submitted a quotation, a further contractor was subsequently invited to submit a quote. Following consideration of the submissions, EG proposed that the contract be awarded to D B Cummins Ltd, and HG seconded the proposal. The RC noted that D B Cummins Ltd had submitted a complete quotation, whereas the alternative quotation was higher in cost and did not include all the required information. However, the final decision will be with the Procureurs du Bien Public and the Connétable.
6. Planning Applications	The RC inspected the following applications, focusing solely on potential impacts on roads: A/2026/11435 P/2026/11420 P/2026/11392 P/2026/11381 RP/2026/11377 P/2026/11373 No concerns were reported.

7.7. Long-Term Parking Petition	ML informed that a petition has been launched by a parishioner regarding the long-term parking issues on Le Mont du Gouray. The petition is to reduce parking restrictions from seven days to 24 hours. The RC did not agree with the proposed amendment mainly due to the lack of resources to police the area that is within the Parish of Grouville's borders. However, ML advised he will liaise with Infrastructure and Environment about the matter.
