

Grouville Community Support Group

Our volunteers continue to offer Grouville Parishioners the services of the Community Support Group. We promote independent living and recognise everyone needs a bit of help or company from time to time - whatever our age.

We are here to support you

Here are some examples of what we are able to help with:

- **Picking up prescriptions**
- **Help with shopping**
- **Completing forms**
- **Accessing community facilities and activities**
- **Changing a light bulb**
- **A bit of company for a walk**
- **a friendly face for a chat and cup of tea**

Whatever your need we will do our best to help.

We offer a non emergency service administered via the Parish Hall, so if you need assistance please telephone 852225 - Monday to Friday between 8.00am - 4.00pm in the first instance, and you will be put in contact with a volunteer to arrange a convenient time.

Please turn over

Could you spare a few hours a week to serve your Community?

Grouville is a Parish that enjoys a wonderful welcoming Community where Parishioners can benefit from numerous interest groups, sports clubs, events and community involvement initiatives, which all happen because Parishioners are willing to volunteer a few hours of their time - to make it happen and bring us together.

If you have a few spare hours of time to help serve your Community as a Support Group volunteer then we would love to hear from you.

Please contact the Parish Hall in the first instance on 852225.

The Services provided can be found overleaf...
